MEMORANDUM FOR: Director of Central Intelligence

FROM : Angus MacLean Thuermer
Assistant to the Director

SUBJECT : "Private Relations"/Public Relations

At our first meeting I used the phrase "good 'private relations' are good public relations" and said the people here at Headquarters are a corps of public relations workers eager to be of use.

You have had a number of meetings of varying sizes with CIA groups. However, you have not had a big general meeting in the bubble devoted to "How are we doing?" It's something to consider.

You may want to choose some landmark date: say, the end of the Executive Order 90 days. On that date you might gather a cross-section (Jack Blake knows the grade/directorate formula), tell them what you have been doing, what the Agency has been doing, where you've been on your rounds, e.g., the Hill, the White House, visited with the retirees, various news media headquarters, how the E.O. stands, etc., and a bit of your philosophy about it all. Then open up for questions and answers.

Those of us who see you regularly know what you are doing and why you're doing it and where you're going. The rest of the folks may feel a bit distant from you. STATINTL

You may want to introduce

Dear Mr. Krauss,

Thanks so much for your letter of April 21st, inviting me to attend an ARTNA luncheon discussion in May or June.

Unfortunately, my schedule seems to be getting worse instead of better, and if possible I would prefer a date sometime in the fall.

I hate to keep putting you off, and I do want to do it, so please write again in late summer and we will try to work out a firm date then.

Dear Mr. Bush:

You may recall that Dick Hottelet wrote you back in February with an invitation to join ARTNA for an off-the-record luncheon discussion sometime this spring.

In your reply to Dick's letter, you promised to find some time, about now. We do have a date or two open in May and would like very much to schedule you then. I would suggest the mid-week period, either the weeks of May 17 or 24, or the first week in June. In other words, pending our ability to clear the Century Club any Tuesday, Wednesday, or Thursday in those weeks.

I hope to hear from you as soon as possible on this matter.

Let me take this opportunity to extend you a belated best wishes in your new capacity.

Sincerely,

Mitchell Krauss
President

Dear Dick,

Thanks for your great letter of February 12th.

I would like to speak to ARTNA, but I need a little time. Could you contact me after a couple of months and I promise to do it. By the time you get this, I will have been in New York three or four different times and I just don't feel I should be going up there in the short-term future. I'm glad you want me and I promise to do it, but let's get together on a date in the future.

Warmest personal regards,

Sincerely,

Dear George,

I would like to invite you, in the name of ARTNA, Association of Radio-Television News Analysts, to invite you to lunch with our group at some convenient time in the near future.

We have such sessions, not infrequently, with people in public life who have something important to say. These are background sessions, not meant to make news, unless our guest desires otherwise - and our record for confidentiality seems more remarkable all the time.

It would be pleasant and profitable for us and, I am sure, not too painful for you; and I hope you will find it possible to accept. Most satisfactory would be if we could zero in on a date two or three weeks hence, but I am sure we could manage with even a week's notice.

Please get in touch with me or with our President, Mitchell Krauss.

Best regards,

Richard C. Hottelet

Dick H. tellet (friend since Berlin days of 1939!) talked to both Dennis and me. Will be inviting you to chat with newsmen up in New York and has kindly included me in invitation.

Dick is old customer here and a friend. [redacted] and for that reason, we always felt, Dick was put in pokey by Gestapo in old days.)

You can set own ground rules on this one, Dick says, and I think this is one you ought to do — gets you up with the non-Washington-based newsmen, for one thing. Back to your U.N. pals, I would think.

I can handle when his letter arrives, unless you want to call him.

Dear Mr. Bush:

I am writing in response to my conversation this morning with Mr. Angus Therner.

I am affiliated with a Black-oriented public affairs program, called "Like It Is." I would like to extend an invitation to you to appear on our program, the purpose of which will be to discuss the past and present relationships between the CIA and the Black community. The co-hosts of our Emmy award winning program are Gil Noble and Melba Tolliver.

I wish to advise you that we have also extended an invitation to Mr. Clarence M. Kelley, Director of the Federal Bureau of Investigation.

We would like to tape the program on May 27th or June 3rd. Our studio is at 7 West 66th Street, New York. We trust you will give this request your most careful attention.

Thank you for your kind consideration.

Very truly yours,

Dear Mr. [Redacted]

This could simply be a letter of thanks and acknowledgement of a finely conducted tour, but it's not. Why?

It was not an ordinary cold, bland 'tour'; instead, it was an extraordinarily meaningful learning experience shared by all of us.

In fact, from the very first telephone call of inquiry, to the last returned Visitor's badge, we were treated and met with Sincerity of purpose and cordiality.

Special recognition must, of course, go to Mr. [Redacted] and his section(s) for their professional attitude, expertise, 'care', and expressed innovative excitement.

STATINTL

In addition, it is the consensus of our group that: (A) the tour was most stimulating; (b) more was 'learned' during the 2-1/2 hours than could have been 'taught' during normal college semester conditions; and (C) the tour should be an integral part of my course entitled, Graphics and Cartography--454.

We undersigned do hereby express a most sincere THANK YOU!
